

Watercolor Essentials

with Ted Head

Friday & Saturday
September 25th & 26th
10:00am-4:00pm
\$370 Lunch & supplies included

"I paint with watercolors, using several glazes to achieve rich darks and vibrant contrasts. Detailed and realistic in style, I endeavor to "see" beyond the obvious to create an image that surpasses the confines of a photograph...shadows infused with color, reflections taking on surrounding hues. When successful, the ordinary becomes extraordinary."

All levels welcome!
